Career Objective

Enthusiastic and self-motivated Computer Science Engineering student passionate about software development, cloud technologies, and AI. Skilled in C++, Python, Java, and modern frameworks including React.js and Flutter. Seeking an entry-level Software Development or Internship role to apply technical and analytical skills in real-world projects.

Technical Skills

Programming Languages: C++, Java, Python, JavaScript, Dart, Kotlin, HTML, CSS

Frameworks / Libraries: React.js, Flutter, Tailwind CSS

Core Areas: Data Structures & Algorithms, Distributed Systems, Software Engineering, Optimization, Database Systems, Object-Oriented Programming

Databases & Tools: MySQL, Firebase, Git, VS Code, Docker

Cloud & Platforms: Oracle Cloud Infrastructure (OCI), Google Cloud (GCP), Firebase

Methodologies: Agile, Version Control, CI/CD, Unit Testing, Collaboration

Internship Experience

Android Developer Virtual Internship

Google for Developers (via Eduskills)

- Built Android app prototypes using Kotlin and Firebase integrating authentication and live data.
- Learned Android architecture components, activity lifecycles, and UI best practices.
- Implemented modular design and performed testing to ensure app reliability and responsiveness.

Academic Projects

Rescue Now (Android, Kotlin)

Developed a real-time emergency alert application featuring live location sharing and SMS fallback. Designed a scalable and fault-tolerant system improving response time by 30%.

Weather Visualization Dashboard (React.js)

Created a responsive weather dashboard integrating OpenWeatherMap API with optimized data-fetching and state management for low-latency performance.

Certifications

- **Python Essentials 1 & 2** — Cisco Networking Academy
- **HTML Certification** — Cisco Networking Academy
- **CSS Certification** — Cisco Networking Academy
- **Android Developer Virtual Internship** — Google for Developers (via Eduskills)
- **Oracle Cloud Infrastructure Certified AI Foundations Associate** — Oracle

Education

Bachelor of Technology, Computer Science & Engineering

ACE Engineering College, Hyderabad, Telangana, India

2024 – 2027

CGPA: 7.6

Diploma in Computer Science Engineering

Arjun College of Technology and Science, Hyderabad, Telangana, India

2019 – 2024

Achievements & Leadership

- Participated in **Cinehack.AI National Hackathon** at FISAT College, Angamaly, Kerala.
- 1st Prize — Camel Art National Competition; 4th Prize — Railway Art Competition.
- Cricket Champion, Arjun College Sports Event — demonstrated leadership and teamwork.
